Lumber Group

MOULDING PROFILES

From Astragals to Wainscot Caps, Landmark Lumber has an extensive selection of Moulding Profile Knives on hand to meet your every need. We also Grind Custom Knives in-house to exactly match your drawing or sample. This guide provides details on the most popular profiles available.

Our millwork services are intended for qualified wholesale contacts only. However our minimum order size is 500 lineal feet, ideal for single-family home projects. We can run orders of any size as a single project order or use our Millwork to supplement your moulding production operations. At Landmark Lumber, we're ready to serve your moulding needs.

Contact one of our Lumber Consultants to discuss your project needs.
